## DECISION

Dear Mr. Zamias:

### Filming Permit Issued Cost Recovery Fee Category and Rental Determined

On May 28, 2015 you filed a 2920-1 Land Use Application and Permit to film on public lands managed by the Bureau of Land Management (BLM) Grand Staircase-Escalante National Monument (GSENM). The project would consist of seven days of motion picture filming within GSENM. This filming is scheduled to occur between July 17 and July 24, 2015. Seven days of filming will be conducted on the Monument. We have assigned the serial number UTU-091232 to your application.

In accordance with 43 CFR 2804.14 and 2805.16 an applicant is required to reimburse the United States in advance for the administrative costs of processing your permit. Your application falls under Category 3 (between 24 and 36 hours) for processing, at a cost of \$798.00. A copy of the processing and monitoring fee schedule is enclosed for your information and records. This fee was paid in full on June 25, 2015.

In accordance with 43 CFR 2920.8 a rental fee of \$250 per location per day is required for Commercial Motion Photography in Utah for groups between 1 and 30 people. Your shooting schedule calls for 7 days of filming with up to 30 people at one location, which is a \$1,750.00 rental fee. In addition, a BLM film monitor will be required. The monitoring is greater than 50 hours which constitutes a Category 6 or a full reimbursement for actual costs. The reimbursement costs are estimated as follows: 1 staff X seven days X \$300.00 per day = \$2100.00. Total due to BLM prior to filming is \$1,750.00 + \$2,100.00 = \$3,850.00.

The enclosed land use permit, serial number UTU-091232, is being offered in duplicate. Please sign, date, and return both of the completed land use permit applications. After we receive the permits and the fees mentioned above, we will return to you a signed copy of the approved permit with the terms and conditions attached thereto. Please make sure that you have a copy of the signed permit with you during filming.

This decision may be appealed to the Interior Board of Land Appeals (IBLA), Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. Any notice of appeal must be filed with Cynthia Staszak, Monument Manager, at 669 South Highway 89A, Kanab, Utah 84741. The appellant shall serve a copy of the notice of appeal and any statement of reasons, written arguments, or briefs on each adverse party named in the decision, not later than 15 days after filing such document (see 43 CFR 4.413(a)). Failure to serve within the time required will subject the appeal to summary dismissal (see 43 CFR 4.413(b)). If a statement of reasons for the appeal is not included with the notice, it must be filed with the IBLA, 801 North Quincy St., MS 300-QC, Arlington, VA 22203 within 30 days after the notice of appeal is filed with the Monument Manager. The appellant has the burden of showing that the decision appealed from is in error.

My decision shall take effect immediately and shall remain in effect while any appeal is pending unless the IBLA issues a stay (43 CFR 2920.2-2(a)). If you wish to file a petition (request) pursuant to regulation 43 CFR 2920.2-2(b) for a stay (suspension) of the effectiveness of this decision during the time that your appeal is being reviewed by the IBLA, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the IBLA and to the appropriate Office of the Solicitor (Regional Solicitor's Office, Wallace F. Bennett Federal Building, 125 South State Street Mailstop 201, Salt Lake City, UT 84138) (see 43 CFR 4.413) at the same time the original documents are filed with this office.

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If you have any questions regarding this matter, please contact Jabe Beal, GSENM Outdoor Recreation Planner at (435) 826-5601.

Sincerely,

Cynthia Staszak  
Monument Manager
